We're hoping to repaint the red lines on the concrete paths running through the Artivity Park in the VERY near future.

WE SURE DO NEED HELP!

We would like to accomplish this as soon as we can find the specific paint we need, but don't have a date nailed down yet. If you think you can help paint, or help keep folks off of the paths, or just show up with emotional support, please contact us using the contact tab on our website www.theafasgroup.com

Mark your Calendars and purchase your tickets from Kaleideum for Aug 4th 10:30-11:30 for a fun day of art and creativity..... for ticket and info contact info@kaleideum.org

Coming in September

Profiles of Vivid Reflections—by **Nico Amortegui** is a series of portraits of grand moments paused. The moments of intense feeling that cause us to pause and reflect in the moment rather than later in retrospect. The moments that catch us by surprise or those laden with emotion whether happy or sad, they make us feel human - and alive. Through these portraits, may the viewer create their own narrative of raw emotion portrayed. See a few examples below. This show may be seen at the Red Dog Gallery throughout September and October.

Nico Amortegui was born and raised in Bogotá, Colombia and grew up surrounded by creatives within his own family. He has lived and worked in the United States since the late '90s. Known for his large-scale paintings and murals, his public works can be found in numerous cities including Charlotte, Winston-Salem, Durham, Atlanta, DC, and Tel Aviv. Amortegui has completed ten solo shows in four states since 2012 and dozens of group shows throughout the east coast. Most notably, you can see his work on display with the Smithsonian Latinx (*Gateways*) Collection and at the Charlotte Douglas International Airport, gates B7 & B10. His current artistic foci include large-scale paintings on canvas or wood panels and sculpting & wood-working with found objects. He enjoys spending time in the ceramics studio and his elaborate garden. He lives in Charlotte with his wife, two daughters, and studio companion - a chocolate Lab.
