AFAS & RED DOG GALLERY

RED DOG GALLERY EXHIBIT

Let it Show - will run thru January 29th

If you haven't had an opportunity to see the "Let it Show" display at the Red Dog Gallery, you still have a little time.

The holiday season brings such joy in so many ways. Like celebrating with family and friends, enjoying winter weather and snow, showing our love of the season, and so many other things.

We asked our AFAS artists to "Let their creativity and love of the season show". Show us just what the season means to them, their family, and their style – to **Let It Show** through their work.

We have received two and three-dimensional art in all mediums and sizes, including, but not limited to, paintings, photography, pottery, jewelry, sculptures, etc. Many of the pieces are attractively priced for gift giving, too! See just a few examples of this exciting show below.

We would love to see you at First Friday on January 7th at the Red Dog Gallery. And, if you will bring some items for our food drive, we sure would appreciate it!!!

The Red Dog Gallery is open Tuesday - Friday 11 - 6, and Saturday 11 - 4

**DEADLINE APPROACHES for "Nature Calls" exhibit submissions**

The deadline is approaching for all AFAS artists to submit your latest work for “**Nature Calls**” a juried exhibit at Red Dog Gallery. Celebrate the beauty of the natural world with Red Dog Gallery. We invite you to submit works that celebrate nature. Through wild life, landscapes, flora and fauna show us your love for nature and all its wonders!

For this group exhibit at The Red Dog Gallery we invite artists to submit up to 3 pieces of art that embodies the “Nature Calls” theme. We are not placing a dollar limit on pricing for this show, but we are encouraging you to consider smaller pieces of art with an affordable price for our patrons as well as what the art community can bring in this area.

We are looking for two and three-dimensional art in all mediums and sizes. This includes, but not limited to, paintings, photography, pottery, jewelry, sculptures, etc. We would love to see lots of different mediums represented.

The reception for the “Nature Calls” exhibit will be held on Friday, February 4, 2022 from 6 to 8 pm. The exhibit will run February 4, 2022 to March 26, 2022. We encourage all AFAS artists to invite your friends and family to the event, as well as list the event on your Facebook, Twitter, Instagram and website pages. We also have a “Shop Red Dog Gallery” page where patrons can shop the exhibit anytime from anywhere. They can email or call the gallery manager if interested in purchasing a piece. We encourage you to share this option on your social media and with friends and family. Please help market your work through the entirety of the exhibit.

All artwork submitted must be for sale.

No erotic art, propaganda, profanity or political art will be accepted.

Do not include your personal picture with the art submission.

Prices cannot be increased once accepted by the curators.

Please go to www.theafasgroup.com website, click "Red Dog Gallery", and select "Submissions". Click on "Click here to Submit Your Exhibit Entry to Red Dog Gallery" in the "Nature Calls" exhibit area to enter your submission, then step through the instructions on the screens. All your entries must be submitted at the same time.

PLEASE READ CAREFULLY WHAT EXHIBITION READY IS REQUIRED AT OUR GALLERY!

Reminder: the entry deadline for this exhibit is 01-22-2022—at midnight.

If you have any questions, please submit an on-line question to the Red Dog Curators team by using the "Questions?" link on the top of the Submissions page on the website.

The Food for Thought Pantry is housed in the WSFCS Social Work Office downtown at City Market. It is supported through generous contributions from Mt. Tabor United Methodist Church and other local community partners and individuals. The pantry serves any one of our 55,000 students who may be experiencing food insecurity. Social workers receive referrals and assess the need before taking food to their home. With over half of our 55,000 children qualifying for free and reduced lunch there is an enormous need in our community. Many children rely on school breakfasts and lunches each school day, but are still in need of food in the evening and on weekends. Providing children with these basic needs allows them to have a better chance at succeeding in school as well as leading healthier and happier lives. The recent pandemic has created even more challenges for families who are struggling with lost wages and homes. The need to feed children and families has never been greater. We greatly appreciate the support that so many have provided to keep this pantry stocked and ready to help those in need. **No one should go hungry."**
